with change serving as the central theme of this edited volume contributing authors have advanced new and insightful frameworks to analyze vast empirical data in order to explain the dynamics of cross national variation

values political engagement morality and development in the middle east and north africa in light of the arab spring methodological issues in survey research are also addressed in this volume

lebanon is a country whose domestic politics have even more than others in the region been at the mercy of changes on the international stage having been under ottoman and french rule in the nineteenth and early twentieth centuries the post world war ii era has seen lebanon subjected to israeli syrian and american interventions which have all threatened the country s stability as a state joseph bayeh argues that it is this international dimension which holds the key to an in depth understanding of the country in support of this argument bayeh examines lebanese history from its early days under the ottomans to the present day in order to show how international shifts and conflicts have had their impact on lebanon with changes such as the fall of the ottoman empire the rise of us power after world war ii the end of the cold war and the new focus on the region in the aftermath of 9 11 lebanon has at various junctures been bolstered or undermined bayeh tracks all of this offering insights into the workings of lebanon s domestic politics which will appeal to researchers of the international relations of the middle east and lebanon s political history

a leader s role in the management of change is a critical issue for successful outcomes of strategic initiatives globalization and economic instability have prompted an increase in organizational changes related to downsizing and restructuring in order to improve financial performance and organizational competitiveness researchers agree that a leader s inability to fully understand what is needed in order to guide their organization through successful change can be a reason for failure proper planning and management of change can reduce the likelihood of failure promote change effectiveness and increase employee engagement yet change in organizations must be viewed as a continuous activity that affects both organizational and individual outcomes if change management can be considered as an event induced by socio cultural factors the cultural variable gains greater significance when applied to the quality of the relationship between a leader and their team many organizations today are on the verge of internationalization it is here that the cultural context can affect behaviors and in the same way leadership style the research presented in this book by an eminent group of scholars explores the influence of culture ethnic regional religious on how leaders manage change within organizations
